

List Profile for: Australian Dentists

List Type: Business

What's This List About?

A fabulous database covering most Dentists and Dental Labs in Australia, all packed into a neat Excel spreadsheet. Data is updated twice a year and as returns come in.

The data is fully personalised, and you can get all contacts within a practice, or just 1 contact (usually the Senior Decision Maker) per practice. See below for a State breakdown.

Pricing & Selections *ex GST*

of records Over 12,000 postal records. 11,000 with telephone number. 9,100 with fax number
